## SPEEDY CHARLES EDWARD.

DUBOIS COLT WINS RICH BRIGHTON DERBY FROM FRANK GILL.

Runs the Mile and a Half in 2:30 4-5, a New Eastern Record-Master Robert Takes Winged Foot Handicap

New York, August 3.—A tremendous crowd saw Charles Edward, William Dubois' gigantic son of Golden Garter and Flora Mac, win the rich Brighton Derby by five lengths from his only J. L. McGinnis' good colt Frank Gill in the marvelously fast time of 2:30%, this afternoon. creates a new eastern record for the Derby distance of one and one-half miles. As a racing achievement it surpasses anything hitherto accomplished by any thoroughbred of any age on the American turf. The American record of 2:301 was established at Washington Park July 16, 1898, by Goodrich, when three-year-old, carrying only 102 pounds. Charles Edward today was burdened with 126 pounds

Charles Edward was not shown in a preliminary canter, to the general disappointment, but Frank Gill was and his warm-up was not encouraging. The big English-bred colt seemed somewhat tender in front. He stepped in gingerly fashion on his return to the paddock. Thousands of intending backers who had watched him closely either transferred their allegiance to his opponent or kept off the race al-

At the beginning of speculation the ring was almost swamped with wagers on Charles Edward at 2 to 5 and for a long period before the reaction came price laid in the ring about him was to 3. The majority of the big commissions went on him at that price. When later reports indicated that Frank Gill had walked out of his soreness and a lot of wise money was dumped into the ring, encouraged and unsophisticated public, debarred by the prohibitive odds against the favorite, went to the 11 to 5 chance to a man. This explains why McGinuis' horse received the lion's share of the applause as the pair paraded to the post.

The number of false breaks and comparatively long

delay at the post was reminiscent of quarter racing An assistant starter had to take hold in the west. of Charles Edward. He was so anxious to break, while Frank Gill betrayed indubitable evidence of soreness by his unwillingness to budge. The result a very unequal start, though no fault of starter. The good actor was practically last at the start, Charles Edward gaining not less than a fourlengths' advantage in the first two strides. leader, despite Knapp's terrific pull, kept steadily increasing his advantage and when, beginning the last six furlongs of the long journey, he had estab lished a lead of eight lengths, and still those mighty space-devouring strides unshortened at this stage of the race. Frank Gill was under the whip and seemed hopelessly beaten. A little further on, however, under the strain of the terrific pace the favorite began to change his gait and the lines began to slacken, and all through the last half mile his jockey was anxious, fumbled the lines, frequently picked up his whip and laid it down again in doubt as to whether the time had come for the last call to be made. But there was no need for it, although Frank Gill closed up steadily and gamely and at the end was going fully as well as the winner, close observers said. Both horses were very tired after the finish and came back to the scales with drooping heads and heaving sides, eloquent of the completeness of their exhaustion

Experts declared that either of one of James R Keene's formidable pair, Peter Pan or Ballot, would have had a comparatively easy task to have won today's stake, albeit the time of the race might have been slower, by a second or two. James R. Keene was the most interested spectator in the Brighton enclosure, paying particular attention to the win the first time at this meeting the noted turfman viewed a race from the stewards' stand.

The running of the Winged Foot Handicap, which was next in importance to the big feature, was marred by rough riding. Frizette; the favorite evens ridden by Miller, was forced out of her position when leading on the last turn and then and there practically eliminated as a contender. Master Robert, on the outside and Live Wire in the center were both making their runs alongside of the favorite. It was apparent that she could not hold her own with these two and when giving way Master Robert drew out, suddenly followed by Live Wire. In doing so they ran Frizette dangerously close. Sam Emery's colt easily held W. W. Dar youngster safe, coming home practically Rialto finished a distant third. The stewards deliberated an unusually long time over the claim of foul lodged by Miller against both the first and second horses before they confirmed the

original placings.

The tabled history of the Winged Foot Handicap is as follows:

### CONDENSED HISTORY OF THE FLASH STAKES.

The Flash is one of the oldest fixtures of the American turf, having been first run in 1869, when the famous filly, Remorseless, was its winner. A few years later the exquisite Leamington filly, Olitipa, won it in time that long stood as the American record for a half mile and is still the track record for that distance. Such great racers as Tom Bowling, Duke of Magenta, Harold, Sensation, George Kinney, Volante, King Fish, Hamburg, Sysonby, Burgomaster and Peter Pan were Flash winners and the record of the event is as follows: Year, First

### CONDENSED HISTORY OF THE SARATOGA HANDICAP.

The Saratoga Handicap is one of the list of new stakes inaugurated when William C. Whitney and his associates took control of the Saratoga track and restored it to its old-time importance in the racing field. For its first year it was at a mile and an eighth and a mile and three-sixteenths in its second. Then it was advanced to its present distance of a mile and a quarter. One of the possibilities of its running tomorrow is a repetition of the placing of last year, but hardly a probability. The record of the event is:

Year First. Age. Jockeys. Wt.		Third: Age. Wt.	Val.	Time.

## EMPIRE CITY PURSES ARE ALLURING. GRANDE DAME'S FOURTH VICTORY

### New York Owners, However, Are Slow About Announcing Their Intentions.

New York, August 3.-The program books for the first six days of the Yonkers meeting, which will open one week from today and continue until August were distributed at Brighton Beach this after noon by assistant secretary Harry White. The con ditions of the races were scanned with interest by the horsemen and the big purses offered created lot of favorable comment.

The feature for the opening day will be the Em pire City Handicap with \$2,000 added. Other fea-tures that will be decided through the following are the Mount Vernon Handicap, the Bronx ville Handicap, the Chappaqua Handicap, the Tucka hoe Handicap and the Clark Memorial Handicap. From \$1,500 to \$2,000 is the added money in all

the features, and the daily purses range from \$800 to \$1,000 in added money.

Efforts to ascertain the intentions of many local nor engaged stable acommodations there, have been without results. They are not inclined to announce it if they intend to race at the Empire City track owner of a big string of selling platers re marked: "It's eighteen days at Empire City and

### Hendrie's Undefeated Filly Wins the Niagara Stakes at Fort Erie.

Buffalo, N. Y., August 3.-George Hendrie's Grande Dame, the unbeaten daughter of The Com moner-Noblesse, scored her fourth victory in the Niagara Stakes, the feature race of an attractive program at Fort Erie this afternoon. As the barrier was released Grande Dame showed in front, but immediately wheeled around and struck Tomnabat Boland pulled her up and she was as good as at the post. Before they had gone a furlong Grande Dame was almost a dozen lengths out of it and seemed beaten. Rounding the far turn, however she got settled in her stride and began to move She overhauled the leaders rapidly and, when ntering the homestretch, was in a contending posi In the stretch run she caught and passed ne and won going away. Grande Dame's Aquiline victory today qualifies her for her enagement in the

Spinaway Stakes at Saratoga Wednesday next. The Canadian r-old Den to the front in the first dozen strides of the fifth race and, after setting a rapid pace, won under restraint in the fast time of 1:125 for the three quarters of a mile. The Hendrie Stable showed up a likely looking maiden in this race in Gold Pin. This colt is one of the best looking borse racing here. He had never been to the post before and ran a bit green, but the indications are that he will be a top-notcher.

The steeplechase furnished a chapter of mishaps First Battle Creek, Flying Plover and Roderick ran a quarter to a false break. Boyle was unable to pull Roderick up and he bolted into one of ditches, unseated his rider and galloped off another the running Battle Creek lost his rider, while Dr. Heard was jumped on and had one of the tendons in his off foreleg almost severed. Flying Plover struck one of the obstacles with considerable force and was pulled up. The winner turned up in Sam out three lengths.

There was a change from the original arrange ment of the card. The first race was run as the

Jockey Shilling was fined \$25 by the judges for rough riding in the third race. Entering the home to the outside fence. This interference cost Henry

J. D. Clayton, having disposed of all the horses he brought here except Bardoe, will leave for Lex-ington with this one Tuesday. Bardoe is a full brother to Haber and is a colt of promise. C ton will take up fifteen yearlings which K. Shipp has at the Kentucky Association course.

## KILLALOE'S FAST TRIAL.

WHITNEY FILLY WILL HAVE BIG FOL-LOWING FOR SARATOGA HANDICAP.

Dandelion Arrives But Does Not Work-Ballot Not Among Those Named to Start-Good Racing in Prospect.

Saratoga, N. Y., August 3 .- It is probable that Killaloe will be heavily backed for the Saratoga Handicap Monday. The daughter of Kilmarnock and Jinks showed a trial this morning which is the fastest yet run over the Saratoga track this season. She ran a mile and a quarter in 2:06% and had good weight up, more, probably, than she will have to carry Monday, her impost for the race being 107 Gallavant, which was well liked by many pounds. distance in 2:09 and her chances are not considered to be very good unless the track becomes muddy.

Both McCarter and Running Water have had regular work since coming here and were not sent the handicap distance this morning, their task being a mile and a furlong gallop, which McCarter did in 1:55\$, and Running Water in 1:53\$. Ironsides, which is named to go as a stable companion of Killaloe, galloped a mile and a quarter in 2:10, and it is plain that the hope of the stable is cen-tered in the three-year-old filly. Dandelion, which only reached the track last night, was not worked, as his race in the Invincible on Thursday put him on edge, and a slow gallop tomorrow will be all that he needs. Tangle is carded to go also but little is known of her present condition.

Many were inclined to the belief that Ballot would

start in the race, but his name was not telegraphed from New York tonight and it is not believed that trainer Rowe will ask the Voter colt to take up the impost of 120 pounds, including the five-pound

nenalty for winning the Invincible.

While the class of the over-Sunday entries for the handicap is not so good as it might be, everything points to an interesting race. The track is in tip top order, for, notwithstanding the excellent time made by Killaloe this morning, there is a good cushion to the course and horsemen believe that it will be perfectly safe.

It will not be surprising to see the record for the race, 2:045, made by Dandelion last year, equaled Monday, Dr. Gardner, which was looked upon as a possible starter for the race, was galloped seven furlongs in 1:31, but his work was so unsatisfactory that trainer Weir did not post him as a starter. He was trying to run out all the way and did not seem to relish the task at all.

A good field is named for the Flash Stakes, the two-year-old fixture, while some of the fastest chasers in the east will be colored for the Saratoga Steeplechase. The closing race for maiden two-year-olds is interesting in as much as Burgher, a full brother to Burgomaster, is named to go as well as Onatassa, which is supposed to be the crack youngster of the Sanford string.

Whatever success the Empire City meeting may have, it is not believed here that it will have the slightest effect on either the attendance at Saratoga or in the general interest in this meeting. The town is fast filling up with visitors. The hotel accommodations are pretty well booked up for the first of the week.

Every stall at the track, and there are 1,200 of pelled to secure a hundred or more on the outside. The meeting starts off with excellent prospects in spite of the New York opposition and there is no reason to believe that this season's success of the other Jockey Club tracks will not be repeated here.

## BAKER & WILSON BUY YEARLINGS.

Lexington, Ky., August 3 .- J. H. Baker and G. D. Wilson have purchased from R. L. Baker the following thoroughbred yearlings

### ruary. NOTTER TO RIDE FOR KEENE.

New York, August 3.—James R. Keene has secured second call on the services of jockey Joe Notter, the rider for J. L. McGinnis' stable. The Notter, the rider for J. L. McGinnis stable. The Keene establishment has no jockey regularly en-gaged, but with second calls on Miller, Radtke and Notter, is provided fairly well, as the chances are remote that the first calls on all three riders will be asserted in many of the important events re-maining this season.

## LITTLE BRADY IS AGAIN INJURED.

New York, August 3.—Charley Brady, the midget apprentice rider attached to the Spreckels establishment, had his foot crushed while riding Voorhees yesterday. This boy has experienced tough luck during his short career on the turf. Three months ago he sustained a broken arm in a fall and a little while after the toes of his right foot were crushed in a race at Sheepshead Bay.

## MAHER IS IN GOOD FORM.

Danny Maher still ranks third in the standing of jockeys riding in England with a rare good chance of soon moving into second place, for he is in decidedly better form just now than George McCall, who, with fifty mounts July 22, stood second to W. Higgs, the leader, with seventy-five to his credit. Maher's winners to that date numbered forty-one. W. Halsey was fourth on that date with forty, winners.

### STAKE RACING AT SARATOGA.

For the time being racing in the immediate vicinity of New York has ceased and the leading owners, great racers and star jockeys have gone north to spend a few pleasant weeks at Saratoga The meeting of 1907 begins there tomorrow with an opening day card that promises high class racing, the \$5,000 Saratoga Steeplechase, \$6,000 Flash Stakes and \$10,000 Saratoga Handicap being the features of a remarkable attractive program. The probable starters in each of these events are named features of a remarkably attractive program. The Mohawk Stakes will be run off Tuesday afternoon. It is a dash of a mile and an eighth for threeyear-olds, under selling conditions and Gold Lady, Smiling Tom, Molesey, The Wrestler, Temaceo, J. R. Laughrey, Rio Grande, Botanist, Colonel Jack, Ingham, Tourenne, J. C. Core, Royal Onyx, Saracinesca, Campaigner, Eddie Ware and Monfort are the horses from which the field will probably come. Wednesday the Spinaway Stakes for two-yearold fillies will be the stake attraction. It is a dash of five and a half furlongs and of the guaranteed value of \$10,000, making it an important affair. Half Sovereign, Megg's Hill, Grande Dame, Aimee C., Beckon, Julia Powel, Stamina, Adriana, Red Bonnet, Winning Star, Desirous and Frances Ray may contest this rich event.

The Alabama Stakes for three-year-old fillies will be decided Thursday afternoon. It is at a mile and an eighth and of the guaranteed value of \$5,000; Court Dress, Yankee Girl, Kennyetto, Gold Lady, Belle of Iroquois, Danoscara, Estimate, Altuda and Adoration appear to be the best of the eligibles. No stake is to be run Friday, but the North American Steeplechase, Saratoga Special and Travers Stakes will be decided Saturday afternoon. Practically every good steeplechaser of the time is in the North American. The Saratoga Special is much coveted by subscribing owners and may bring Colin. Chapultepec, King James, Cohort, Chief Brant, Seymour Beutler, Burgher, Stamina, Beaucoup, Fort Johnson, Lady Winifred, Smoker and Masque to the post. The distance is three-quarters of a mfle. For the Travers Frank Gill, Superman, Monfort, Golf Ball, Joseph Brant, Saracinesca, George S. Davis, Rockstone, Cork Hill, Philander, Ber-wick, Arcite, Hickory and Don Enrique appear best. The distance is a mile and a quarter and it has a guaranteed value of \$7,500.

### THOMAS HAS SIXTEEN YEARLINGS. Woodford Buys Louisville-Rastus Is Out of Training-Lexington Gossip.

Lexington, Ky., August 3.—Dan Morris is breaking sixteen yearlings for R. L. Thomas at the Kentecky Association course. There are nine colts and seven fillies and they cost Mr. Thomas \$14,550. The half-brother to Alcedo, winner of the Suburban Handicap in 1901, is regarded by good judges as the pick of the collection. Another that is greatly admired is the colt by Star Shoot—Chapter, by Carlsbad. This fellow comes from the family of Blue Girl, Salvidere and Lady Amelia.

Catesby Woodford bought the good mare Louisville from W. H. McCorkle a few days ago and has taken her to Raceland Stud in Bourbon County. Louisville is now ten years old and is a daughter of Loantaka and Virulent, by Virgil. Her first feal is a yearling black colt by Lamplighter. This youngster is still the property of Mr. McCorkle and it is his intention to race him next season. Louisville's foal of this year was by Alloway, but died. She was bred back to Alloway. It is the intention of Mr. Woodford to mate her with Sir Dixon next spring.

Thirty of the Castleton Stud yearlings will be

of Mr. Woodford to mate her with Sir Dixon next spring.

Thirty of the Castleton Stud yearlings will be sent to Sheepshead Bay next week to be broken while racing is in progress at Saratoga.

J. S. Barbee's Rastus, the two-year-old half-brother to La Londe, by Handspring—My Gyps, has been thrown out of training and is now on Mr. Barbee's farm near this city. Quartercracks prevented the colt's racing and caused his retirement. La Londe, it is understood, is to be retired to the stud next fall.

Though Dainty Dame is training nicely at the local track, Lee Darnaby has abandoned the plan of taking her to Saratoga this year. He may race the daughter of Handspring at the Kentucky tracks next fall, but thinks she is well worth saving for an eastern campaign as a four-year-old.

### RESULTS OF THE THIRTEEN DERBY RACES OF 1907 IN-THE UNITED STATES AND CANADA.

There is to be no renewal of the Saratoga Derby this year, so the Brighton Derby, which was won yesterday by Charles Edward from his only opponent, Frank Gill, in the fast time of 2:30½ for the mile and one-half, was the last and most valuable of the thirteen races of 1907 in the United States and Canada bearing the name "Derby."

These races are Derbys in little other than the name. None of them follows strictly the conditions of England's famous event from which the title comes. Only three—the races at Latonia, Brooklyn and Brighton—are at the true distance—one mile and a half. The American Derby, which had its home at the now dismantled Washington Park, and which was last run in 1904—Highball's year—was the nearest approach we had to the real Derby in this country and there was no race in the land exclusively for three-year-olds that attracted such widespread interest. The Kentucky Derby carries more interest than any of the surriving events of the name, but it is far from general. Interest in the other races is for the greater part sectional. The following table furnishes the results and other information about the thirteen Derbys of 1907:

25th ultimo. We desire to remind you in response to your statement as to the delay in our acting upon your application that any delay that may have arisen is due to your failure to submit sooner a formal application, as designated in our previous communication.

is due to your failure to submit sooner a formal application, as designated in our previous communication.

"We beg to say that in certain particulars the proof sheets of a program glving racing events do not conform to the rules and regulations of the Jockey Club, viz.: (a) Overnight events for three-year-olds of less than a mile should be limited to not more than one each day; (b) the amount of added money should be at least as great as indicated by the regulation of the Jockey Club. The program in these and other respects before being finally printed should be subjected to the approval of Henry J. Morris, who is hereby appointed by the Jockey Club, under its rules, steward of the meeting." The jockey Club has, as requested by you, assigned to you eighteen days from the 10th to the 20th of August, inclusive, for the conduct of a race meeting on the Empire City track, under the rules of the Jockey Club.

"The list of your officials has been received by us, and having no specific objection to any of the nominees we give it our approval.

"In your communication you state that you desire to have the services of Mr. Pinkerton's agency and request that the Jockey Club give its consent to this. There is no rule or regulation of the Jockey Club requiring the employment of Pinkerton's agency by any association for the policing of its grounds. "As stated in our former communication, in the course we have adopted we are acting in obedience to and out of respect to the decision of the court, although we are informed that said decision is not in accord with the opinion of the Court of Appeals as to the purpose for which the present racing law was enacted, and we have great solicitude that the holding of the meeting will not be in the best interests of racing.

"I remain respectfully yours, "Chairman."

Empire City Trotting Club, James Butler, Esq.,

Empire City Trotting Club, James Butler, Esq. President.

Winner—Ch. g, by Wandering Jew—Lizzie Walton (trained by A. Bailer).

Went to post at 3:32. At post 11 minutes. Start good. Won easily; second and third driving. Sam Parmer ran into the lead when called on and won with plenty in reserve. Kilmorie fenced cleanly and went well throughout. Dr. Heard was repeatedly taken back and, when called on, failed to respond well and finished lame. Roderick ran away to a false start, unseated Boyle and ran riderless until caught, then tired in the race after showing much early speed. Aules blundered repeatedly. Flying Plover was hopelessly beaten at the fourteenth jump and was pulled up. Battle Creek fell after going over the second hedge.

Went to post at 4:38. At post 1 minute. Start good. Won handily; second driving. Grande Dame

outclassed the others, but had to be best to win, acted green at the post and lunged when urged forward,

causing her to be practically left, then showed a high flight of speed and, wearing down Aquiline in the

stretch, won well in hand. Aquiline, away like a flash, opened a long lead in the first quarter, but tired

when Grande Dame drew level with her. Tomnabat had no mishaps and was outclassed here.

Winner—Ch. c, by Mazagan—Flocarline (trained by A. G. Blakeley).

Went to post at 3:42. At post 2 minutes. Start good. Won easily; second driving; third the same, Master Robert broke slowly, but closed up rapidly at the half and after a terrific furlong tussle on the turn, drew cut decisively and won off. Live Wire, from a good start, moved up simultaneously with the winner, was crowded on the last turn, losing ground, but succumbed soon after and was not good enough. Rialto, crowded back at the start, closed a big gap into a fast coming third. Ziephen showed superior carry speed and tired after going a game half, but finished gamely. Frizette set and forced the pace entil Joined by Master Robert and Live Wire, when both crowded her out, and she was pulled up sharply on the last turn and never dangerous afterwards. Hollister was sore and unfit to race.

### NOTES OF THE TURF.

Judge Egbert has ordered that the entry of Denny Brothers' Tarrigan be refused at Seattle in future. He says the horse is too inconsistent to suit Seattle race-goers.

The Canadian Sportsman says the price paid by John Dyment to H. Rites for the two-year-old chestnut celt Uncle Toby, by Toddington—Sadness, was \$6,000.

was \$6,000.

There is to be a meeting of the stewards of the Western Jockey Club tomorrow. Dates for the winter meeting at the New Orleans Fair Grounds will probably be approved.

It is the firm belief of President F. R. Hitchcock of the Saratoga Association that the Spa has sufficient of an up-to-date clientele to stand on its own bottom insofar as racing goes.

The merry-go-round at New Orleans has a new starter. Now it is Gene Tabor. Starter Carey, who was the sixth or seventh to hold the position at that track, threw up his job after the fourth race last Wednesday. The crowd had been hooting at his work for a couple of days and it got on his nerves.

The summaries of French racing have an American aspect to the reader. At the recent meeting at Maisons Laffitte, July 21, four of the six races were won by J. Reiff and Henry, and Taylor. Lyne Cormack, Garrigan, McIntyre, O'Connor, Turner Shields, Ransch and Spencer were all among the videos.
